

MARIO C. CALATAN

Utility Systems Engineer | GIS & SCADA Specialist | Smart Grid & Web GIS Developer

 Km. 10 Asin Road, Tadiangan Tuba, Benguet, Philippines

 0917-877-8099  marioccalatan@gmail.com [Online Bio Here](#)

PROFESSIONAL SUMMARY

Electrical Engineer with more than a decade of experience in electric distribution utilities, specializing in GIS, SCADA, Smart Grid systems, and utility data management. Strong background in web development, databases, and industrial communication protocols (DNP3, Modbus), with proven leadership in system modernization and enterprise-wide planning

CORE SKILLS

- Electric Distribution Planning & Design
- Smart Grid & SCADA Systems (DNP3, Modbus)
- GIS & Network Modeling (QGIS, PostGIS)
- Web & Utility Systems Development (PHP, Python, JavaScript)
- Databases: PostgreSQL, MySQL, Oracle, MS SQL Server

PROFESSIONAL EXPERIENCE

2024 – Present — System Planning & Design Office — BENEKO

Leading system planning and design, managing engineers responsible for CAPEX/OPEX, line inspections, customer technical requests, GIS management, forecasting, and long-term distribution planning.

2020 – 2024 — Special Equipment & Metering Officer — BENEKO

Handled quality testing of line hardware, transformers, and special equipment. Developed web-based systems for calibration monitoring, Meter Data Management, meter installation, replacement, and apprehension. Led AMI/AMR POC, pilot, and rollout projects.

2019 – 2020 — Construction & Maintenance Officer — BENEKO

Managed 24/7 linemen operations, emergency response, and maintenance coordination.

2013 – 2019 — SCADA & GIS Development — BENEKO

Overhauled SCADA systems for OMS/DMS readiness and modernized the utility GIS platform.

2011 – 2013 — GIS Development and Data Gathering — BENEKO

Conduct of Data Gathering for GIS

EDUCATION

Master in Urban Management Benguet State University	2020 - Present
Bachelor of Science in Electrical Engineering Saint Louis University	June 2006 – March 2011
High School Pines City National High School	June 2002 – March 2006
Elementary Kiwases Elementary School	June 1996 – March 2002
